AIMS AND GOALS

For the first team to aim for promotion in 2022.

Second team to show some general improvement.

Training sessions to be shaped more as 'training/practice/coaching' rather than just the traditional net sessions. Areas to be identified where any players could improve.

The Chairman asked of everyone to try and scout for new players who would 'strengthen' our first team, particularly in the bowling department.

LEAGUE CHAIRMAN DISCUSSION

With the election for league Chairman nearly upon us, we discussed the options on the table. Current Chairman, Mr Trevor Atkinson and the challenger, Mr Chris Ridler of Holmfirth CC. Both had been in touch to put forward their thoughts and ideas for the future of the league. There were champions within the room for both parties, an objective discussion took place and eventually a vote was taken by the club Chairman, Jim Woodhead, as to how we as a club wanted to vote in the upcoming election. The vote was fairly unanimous in its outcome. With the decision to be the vote we will take once we receive the ballot paper.
